PERSONAL PROJECTS

InstaPe

- With InstaPe you can make fast and secure online payments. Here is the site I made using HTML, CSS & Bootstrap and it's simple, fully responsive, and works on phone, tab, and desktop.

YummyMeals

- YummyMeals is a website where customers can order hot and fresh food at home. I made this site using HTML and CSS. This is also a fully responsive website.

Js Calculator

- This is an simple calculator which is made using pure HTML, CSS & JavaScript.
